 ${f 1.}$ (1) In these regulations, unless inconsistent with the context—

<u>62</u>.

"cage" means any place (including a pool of water), structure or other thing which has in any manner been closed or fenced in, whether it is—

- (a) also closed or fenced in over the top or not; or
- (b) movable or immovable;

"control official" means the official appointed as the control official in a nature reserve;

"nature reserve" means a provincial nature reserve;

"official" means an official appointed under section 6 (2) (b) of the Ordinance;

"Ordinance" means the Nature Conservation Ordinance, 1974 (Ordinance 19 of 1974); and

"vehicle" means any self-propelled vehicle and includes any craft or aircraft and, for the purposes of regulations 9 and 10, any cycle.

- (2) Whenever any word or expression defined in the Ordinance is used in these regulations, it shall, unless inconsistent with the context, have the meaning assigned thereto in the Ordinance.
- 2. The forms set out in the schedule to these regulations are hereby prescribed for the purposes of the respective sections of the Ordinance referred to in such forms, provided that such forms may from time to time be amended by the Board, as required for operational purposes.

PART II

Nature Reserves

- 3. (1) Subject to the provisions of subregulation (2) and regulations 5 (3), 8 and 10 (3), no person may enter a nature reserve—
 - (a) where entrance fees are levied in terms of regulations 6, unless he has paid such entrance fee and is the holder of a valid entrance ticket;
 - (b) elsewhere than at an entrance gate; and
 - (c) at any time other than the admission times determined and displayed in terms of regulation 4 (1);

provided that paragraph (a) shall not apply to any person under the age of six years who is under the supervision and control of a person of at least sixteen years of age.

- (2) The Chief Executive Officer may, for scientific or any other purposes which he may deem necessary or desirable, issue a permit to any person to enter or to enter and remain in a nature reserve or any portion thereof—
 - (a) without an entrance ticket;
 - (b) elsewhere than at an entrance gate;
 - (c) at times other than the admission times and for a longer period than the maximum period of stay determined in terms of regulation 4 (1); and
 - (d) while such nature reserve or such portion is closed.
- **4.** (1) The admission times and the maximum period of stay in respect of a nature reserve shall be determined by the Chief Executive Officer and shall be displayed by way of a notice posted on a notice board at every entrance gate to such nature reserve.
 - (2) Subject to the provisions of regulations 3 (2), 6 (3) and 8, no person may—
 - (a) be in a nature reserve before the commencement or after the expiration of the admission times determined under subregulation (1); and
 - (b) remain in a nature reserve for a period longer than the maximum period of stay so determined;

provided that the provisions of paragraph (a) shall not apply in respect of a person who remains in a nature reserve in accordance with the provisions of paragraph (b).

[Sub-r. (2) amended by para. (a) of P.N. 153 of 1984.]

- **5.** (1) The Chief Executive Officer may, if he is of opinion that it is necessary or desirable for the conservation of nature or for the proper management and control of a nature reserve, temporarily close such nature reserve or any portion thereof.
- (2) The Chief Executive Officer shall, whenever he has closed a nature reserve or portion thereof in terms of subregulation (1), post a notice to that effect on a notice board at every entrance gate to such nature reserve or every road giving access to such portion of such nature reserve.
- (3) Subject to the provisions of regulations 3 (2) and 8, no person may enter a nature reserve or portion of a nature reserve which has been closed in terms of subregulation (1).
- **6.** (1) The Chief Executive Officer may, in respect of any nature reserve, levy the entrance fees determined by the Administrator and entrance tickets to such nature reserve shall be sold at the entrance gates thereof on payment of such entrance fees.
- (2) Subject to the provisions of the proviso to regulation 3 (1) and regulations 3 (2) (a) and 8, every person who enters a nature reserve in respect of which entrance fees are levied in terms of subregulation (1) shall pay such entrance fees.
- (3) The validity of an entrance ticket contemplated by subregulation (1) shall extend for the period in respect of which entrance fees have been paid as well as for the period contemplated by the proviso to subregulation (4).
- (4) The entrance fees contemplated by subregulation (1) shall be payable in respect of each day or portion thereof during which any vehicle, tent, occupant or person is or remains in the nature reserve; provided that no fees shall be payable in respect of the day on which such nature reserve is left, if such nature reserve is left before 10h00 of such day and such day is not the day of arrival in such nature reserve.
- (5) No fees contemplated by subregulation (1) shall be repayable; provided that where the whole or any portion of the period in respect of which such fees have been paid has not been or cannot be utilised, the fees which have been paid in respect of each full day which has not been utilised may, with the approval of the Chief Executive Officer, be repaid and for the purposes of this subregulation "full day" means a period of 24 hours commencing at 10h00 of any day.

[R. 6 substituted by para. (b) of P.N. 153 of 1984.]

7.

[R. 7 deleted by para. (c) of P.N. 153 of 1984.]

8. The provisions of regulations 3 (1), 4 (2), 5 (3), 6 (2), and 9 shall not apply in respect of an official who lives in a nature reserve, any relation of such official who lives with or visits him at his home or any person who, at the request of such official, visits him in the nature reserve; provided that the Chief Executive Officer may from time to time determine the maximum number of visits per year in respect of which such regulations shall not apply.

[R. 8 amended by para. (d) of P.N. 153 of 1984.]

- 9. (1) The Chief Executive Officer shall determine the maximum number of vehicles or persons which or who may be admitted to any nature reserve.
- (2) Notwithstanding any provision in these regulations to the contrary but subject to the provisions of regulations 3 (2), 8 and 20, no vehicle or person shall be admitted to any nature reserve if the maximum number of vehicles or persons determined in terms of subregulation (1) has already been admitted to such nature reserve.
- **10.** (1) The Chief Executive Officer may direct that admission to a nature reserve shall be limited to persons in vehicles or in certain classes of vehicles or to pedestrians.
 - (2) A direction contemplated by subregulation (1) shall be notified by means of a notice on a notice board at every entrance gate to the nature reserve

and such notice shall be displayed for as long as such direction remains of force.

- (3) Subject to the provisions of regulations 3 (2), 8 and 20, no person may—
- (a) enter a nature reserve in respect of which admission has been limited in terms of subsection (1) in a manner other than that directed in terms of subregulation (1); or
- (b) except at places set aside for this purpose by the Department, leave a vehicle at any place in a nature reserve.
- 11. Subject to the provisions of section 14 of the Ordinance and regulations 3 (2) and 12, no person may, in a nature reserve—
 - (a) kindle a fire or set anything alight at any place other than that which has been set aside by the Department for that purpose;
 - (b) leave any fire which he has kindled or thing which he has set alight or of which he has made use without completely extinguishing such fire or the embers thereof;
 - (c) throw a burning or smouldering object away or out of a vehicle;
 - (d) throw away, deposit or leave any thing except in a container provided by the Department;
 - (e) relieve himself, except in sanitary conveniences provided by the Department;
 - (f) drive any vehicle or cause or permit it to be driven at a speed in excess of fifty kilometres per hour or of such lower speed as may be indicated on notice boards erected by the Department;
 - (g) travel with a vehicle elsewhere than on a road constructed by the Department;
 - (h) catch fish in any inland waters at any place other than that which has been set aside by the Department for that purpose;
 - (i) wash himself or clean anything in inland waters;
 - (j) in any manner pollute inland waters or throw anything therein;
 - (k) swim in inland waters at any place other than that which has been set aside by the Department for that purpose;
 - (/) do anything which, in the opinion of any official, may be a source of annoyance, inconvenience, disturbance, discomfort, nuisance, interference or hindrance to any person in such nature reserve or which could give offence to any person in such nature reserve;
 - (m) break, damage, destroy or disfigure anything of historical or scientific importance in such nature reserve;
 - (n) break, damage, destroy or disfigure anything, whether movable or immovable, of which the management and control is vested in the Administration;
 - (o) injure, disturb or feed or attempt to injure, disturb or feed any fauna;
 - (p) break, damage, destroy or disfigure any egg, or nest or remove any egg from a nest; or
 - (q) use any craft on inland waters at any place other than that which has been set aside by the Department for that purpose.
- 12. No person may, on inland waters in a nature reserve—
 - (a) launch or use any craft, unless such craft is fitted with sufficient life-saving apparatus for every person being transported by means of such craft;
 - (b) control or steer a motor boat, unless he is at least sixteen years of age;
 - (c) use any craft in a negligent or reckless manner; or
 - (d) ski, unless he is wearing a life belt.
- **13.** (1) The holder of a permit granted in terms of section 14 of the Ordinance—
 - (a) shall, on arrival at the nature reserve concerned, display such permit to the control official; and
 - (b) may hunt wild animals only in the presence, under the supervision and control and in accordance with the directions of an official.
- (2) The holder of a permit granted in terms of section 14 of the Ordinance may not remove any flora or carcass which has been plucked or hunted in a nature reserve in terms of such permit from such nature reserve unless the control official has—
 - (a) inspected such flora or carcass and, if such control official considers it necessary or desirable, has measured the dimensions or mass thereof or has taken samples thereof; and
 - (b) in writing authorised such holder to remove such flora or carcass.
- 14. (1) The Chief Executive Officer may in writing authorise the holder of a permit granted in terms of regulation 3 (2) to take, collect, pluck, kill or be in possession of or remove anything of historical or scientific importance in or from a nature reserve for conservation or scientific purposes.
- (2) No person may take, collect, pluck, kill or be in possession of or remove anything of historical or scientific importance in or from a nature reserve unless he is the holder of a written authority contemplated by subregulation (1).
- **15.** Subject to the provisions of regulations 13 (2) (b), 14 (1) and 17 (2), no person may remove any living or dead fauna or flora or any egg or nest from a nature reserve.

[R. 15 amended by para. (e) of P.N. 153 of 1984.]

- **16.** (1) Subject to the provisions of subregulation (2), no person may bring or be in possession of any weapon, explosive, trap, poison or living or dead fauna or flora into or in a nature reserve.
- (1A) Subject to subregulation (2), a person may not bring any fishing equipment into the De Hoop Provincial Nature Reserve or be in possession of any such equipment anywhere in that nature reserve, unless authorised thereto by the Director in writing.

[Sub-r. (1A) inserted by P.N. 534 of 2000.]

(2) The provisions of subregulation (1) in so far as they relate to the bringing into or being in possession of any weapon, explosive, trap or poison and the being in possession of living or dead fauna or flora in a nature reserve shall not apply to a person who is the holder of a permit issued in terms of section 14 of the Ordinance or regulation 3 (2) or of a written authority issued in terms of regulation 14 (1) or 17 (2).

- 17. (1) The Chief Executive Officer may supply or sell fauna or flora which are found, cultivated or bred in a nature reserve, whether alive or dead, to local nature reserves, State institutions and State departments or may sell or exchange such fauna or flora to or with the public or private nature reserves.
- (2) No person may remove any fauna or flora obtained in terms of subregulation (1) from the nature reserve concerned unless the control official has in writing authorised the removal thereof.
- **18.** (1) No person may bring or drive any dog, cat or other pet or livestock into a nature reserve or allow such dog, cat or other pet or livestock to enter a nature reserve.
- (2) In any prosecution under this regulation it shall be presumed, unless the contrary is proved, that any dog, cat or other pet or livestock found in a nature reserve was brought or driven into such nature reserve by the owner thereof or a person under the control of such owner or that such owner or such other person allowed such dog, cat or other pet or livestock to enter such nature reserve.
 - (3) For the purposes of this regulation—
 - (a) "cattle" means a bull, cow, ox, heifer, steer or calf;
 - (b) "horse" means a stallion, mare, gelding, colt, filly, donkey or mule;
 - (c) "sheep" means a ram, ewe, wether, lamb, he-goat, she-goat, castrated goat or kid; and
 - (d) "livestock" means cattle, horse or sheep.

[R. 18 substituted by P.N. 461 of 1982.]

- 19. Every written authority referred to in regulations 13 (2) (b), 14 (1) and 17 (2) shall contain—
 - (a) the full name and residential address of the person to whom such authority is granted;
 - (b) a reference to the regulation whereunder such authority is granted;
 - (c) a reference to the species and number or mass of the fauna or flora or the name or description of anything else and the number thereof in respect of which such authority is granted;
 - (d) a reference to the name of the nature reserve from which the fauna, flora or other thing may be removed;
 - (e) a reference to the date or period in respect of which such authority is granted;
 - (f) a statement that the holder thereof is authorised to take, collect, pluck or kill or be in possession of or to remove in or from the nature reserve concerned, as the case may be, the fauna, flora or anything else to which such authority relates; and
 - (g) the signature and a reference to the rank of the official who issues such authority.

[R. 19 amended by para. (e) of P.N. 153 of 1984.]

- **20.** The provisions of these regulations shall not prohibit an official from exercising, performing or complying with any power, function or duty conferred or imposed on him in terms of the provisions of the Ordinance or these regulations in a nature reserve.
- **21.** (1) An official may require any person in a nature reserve to display to such official the entrance ticket or any permit or written authority or approval issued in terms of the Ordinance or these regulations to such person.
- (2) Any person contemplated by subregulation (1) shall display the required entrance ticket, permit or written authority or approval forthwith to the official concerned.
- **22.** (1) Any control official may, if he is of opinion that any person has contravened or failed to comply with any provision of the Ordinance or of regulation 11 (1), order such person to leave the nature reserve.
- (2) Any person who has been ordered under subregulation (1) to leave a nature reserve, shall forthwith leave it by the shortest route available to the public.
- (3) No person who has, under subregulation (1), been ordered to leave a nature reserve may enter any nature reserve during the period of six months immediately succeeding the relevant order contemplated by subregulation (1) unless—
 - (a) the Chief Executive Officer has authorised him thereto in writing; or
 - (b) such person has not, within three months of being so ordered, been prosecuted for the offence which, in the opinion of the control official, he committed or has, in a prosecution for such offence, been found not guilty.

PART III

Wild Animals

- 23. (1) Subject to the provisions of section 31 (1) of the Ordinance and of regulations 34 and 35, no person may keep any wild animal in captivity unless such animal—
 - (a) is regularly supplied with sufficient food;
 - (b) is at all times supplied with drinking water and daily with fresh drinking water;
 - (c) is supplied with sufficient water in which to wash or bathe;
 - (d) is supplied with sleeping facilities; and
 - (e) is kept in a cage—
 - (i) which is ventilated;
 - (ii) which provides protection against heat, cold and rain;
 - (iii) which permits light to enter; and

- (iv) which is cleaned at least once per day.
- (2) The food and water contemplated by subregulation (1) shall be supplied in such holders, manner and form that it can be ingested by the wild animal concerned.
- (3) The provisions of subregulation (1) shall not be applied in a manner other than in accordance with the manner in which the wild animal concerned lives in a free state of nature.
- **24.** (1) Subject to the provisions of subregulations (3) and (4) and regulations 27, 28, 29, 31, 34 and 35, no person may keep one or more wild animal or animals in a cage which is smaller than the minimum cage size referred to in subregulation (2) in respect of the number and category of wild animals similarly referred to under which such firstmentioned wild animal or animals are classified.
 - (2) The minimum cage sizes and categories of wild animals contemplated by subregulation (1) are—

[Para. (/) deleted by para. (g) of P.N. 153 of 1984 and reinserted by para. (a) (i) of P.N. 147 of 1987.]

(3)

[Sub-r. (3) deleted by para. (a) (ii) of P.N. 147 of 1987.]

- (4) Subject to the provisions of regulations 28, 29, 31, 34 and 35, no person may keep in captivity different species of wild animals together in one cage unless the total number of wild animals of the different species so kept in such cage does not exceed the maximum number of the largest wild animal of such different species which may, in terms of subregulation (2), be kept in such cage.
 - 25. No person shall trim or cut the wing-tip of a crowned crane (Balearica regolorum) or clip the wing or the wing feathers thereof.
- **26.** (1) The Chief Executive Officer may, in respect of a cage in which a wild animal or animals is or are kept in captivity and to which the provisions of regulation 24 (2) for any reason do not apply, determine the minimum requirements in relation to the size of the cage which shall be provided for such animals or animals.
- (2) Notwithstanding any provision to the contrary in these regulations, the Chief Executive Officer may, by written notice, prohibit the keeping in captivity of any wild animal or animals in a particular cage if he is of opinion that—
 - (a) the keeping of such wild animal or animals in such cage is undesirable; or
 - (b) such cage is, by reason of the situation or construction thereof or the manner in which it is used, not suitable for the keeping of such wild animal or animals.
- **27.** (1) Subject to the provisions of regulation 30, no person may keep any bear, lion, tiger, leopard, cheetah, hyena, wolf, wild dog, rhinoceros or buffalo in captivity unless the specifications of the cage in which such animal is kept in captivity are approved by the Chief Executive Officer.
- (2) The Chief Executive Officer may, on submission to him in duplicate of the specifications of a cage in which it is intended to keep a wild animal or animals referred to in subregulation (1), in his discretion and subject to such alterations as he may deem necessary or desirable, in writing approve such specifications.
 - (3) The validity of a written approval contemplated by subregulation (2) shall lapse when—
 - (a) the cage in respect of which such approval is issued, is no longer used for the keeping of the wild animal or animals so contemplated; or
- (b) any alteration to the construction or material of such cage (as approved under subregulation (2)) occurs or is made,

whichever occurs the earliest.

- **28.** (1) The Chief Executive Officer may, on application by any person who keeps a wild animal indoors, exempt such person, subject to the terms and conditions which the Chief Executive Officer may determine, from the provisions of regulation 24 (2); provided that in respect of the keeping indoors by any person of—
 - (a) not more than two budgerigars (*Melopsittacus undulatus*) or not more than two exotic canaries (*Serinus spp.*) or not more than one of each of such species of bird per cage of at least 0,03 m³;
 - (b) not more than one cockatiel (Nymphicus hollandicus) or not more than one Indian ring-neck parakeet (Psittacula krameri manillensis) per cage of at least 0,07 m³;
 - (c) not more than one exotic parrot except budgerigars, cockatiels and Indian ring-neck parakeets (exotic parrots of the Order *Psittaciformes* except *Mellopsittacus undulatus, Nymphicus hollandicus* and *Psittacula krameri manillensis*) per cage of at least 0,12 m³; and
 - (d) guinea-fowl (Numididae) in cages which are suitable for poultry-farming,

such person shall be deemed to have so applied and the Chief Executive Officer shall be deemed to have so granted exemption from the provisions of regulation 24 (2) (j).

[Sub-r. (1) substituted by para. (b) (i) of P.N. 147 of 1987.]

(2) The application contemplated by subregulation (1) shall be made within thirty days of the date on which the wild animal concerned was acquired or obtained.

[Sub-r. (2) substituted by para. (b) (ii) of P.N. 147 of 1987.]

- (3) The application contemplated by subregulation (1) shall contain full details relating to—
- (a) the species and, if it is possible to distinguish the sex, the sex of every wild animal in respect of which application is made;
- (b) the number of wild animals in respect of which application is made;
- (c) the dimensions of the cage in which the wild animal will be kept indoors;
- (d) the facilities for exercise which the wild animal will enjoy; and
- (e) the reason why the wild animal cannot be kept in a cage of the minimum size contemplated by regulation 24 (2).
- (4) The Chief Executive Officer may, on receipt of an application in terms of subregulation (1), request such further information as he may desire in order to consider such application.
 - (5) An exemption in terms of this regulation shall be valid for twelve months from the date of issue thereof.
 - 29. Subject to the provisions of regulation 31 (2) (a), the provisions of regulation 24 shall not apply to any person who—
 - (a) keeps fifty or more species of wild animals, of which not more than twenty species are birds, in captivity; and
 - (b) is the holder of a licence issued under the Performing Animals Protection Act, 1935 (Act 24 of 1935).
- **30.** Subject to the provisions of regulation 31 (2) (*b*), the provisions of regulation 27 shall not apply to any person who is the owner of a circus and is the holder of a licence issued under the Performing Animals Protection Act, 1935 (Act 24 of 1935).
 - 31. (1) Subject to the provisions of subregulation (2), the provisions of regulation 24 shall not apply to any person who is the owner of—
 - (a) a circus and is the holder of a licence issued under the Performing Animals Protection Act, 1935 (Act 24 of 1935); or
 - (b) a pet shop and is the holder of the applicable licence issued in respect of such shop.
 - (2) The Chief Executive Officer may-
 - (a) direct any person referred to in subregulation (1) and regulation 29 to enlarge, within a reasonable period determined by the Chief Executive Officer, any cage in which such person is keeping a wild animal to an area and volume which the Chief Executive Officer considers necessary or desirable for the welfare of such wild animal but not exceeding the minimum area and volume prescribed by regulation 24 (2) in respect of such wild animal; or
 - (b) direct any person referred to in regulation 30 to strengthen, within a reasonable period determined by the Chief Executive Officer and in accordance with the specifications which the Chief Executive Officer considers necessary or desirable, any cage in which such person is keeping a wild animal referred to in regulation 27 (1) in order to ensure that such wild animal cannot escape.
- **32.** Any cage or other means of transport and any tunnel, passage or thoroughfare between an arena and any cage or means of transport or between any cage or means of transport, and any other cage or means of transport which is used by any person for the purpose of transporting, keeping, displaying to the public or allowing to appear before the public any primate with a mass exceeding 5 kg, bear, tiger, lion, leopard, cheetah, hyena, wolf or wild dog, shall be closed on the outside with diamond mesh wire of which the mesh size is such that none of the said animals is able to extrude its mouth or paw through such wire and no person is able to insert his hand through such wire and which is sufficiently strong to prevent any one of the said animals from forcing its mouth or paw through such wire; provided that the foregoing provisions shall not apply to any cage, means of transport, tunnel, passage or thoroughfare—
 - (a) of which the construction is such that none of the said animals is able to extrude its mouth or paw through it and no person is able to insert his hand through it;
 - (b) which, in consequence of the erection of a buffer in terms of regulation 33 or for any other reason, is inaccessible to any person; or
 - (c) which is used in an arena while any of the abovementioned animals is appearing therein under supervision.
- **33.** (1) No person may keep a primate with a mass exceeding 5 kg, bear, lion, tiger, leopard, cheetah, hyena, wolf or wild dog in captivity unless the cage in which such wild animal is kept is fitted with a buffer which complies with the provisions of subregulation (2); provided that the provisions of this subregulation shall not apply in any case where such cage is visited only on the invitation of or with the consent of the owner thereof or where any other barrier exists which prevents any person from reaching any portion of such cage.
 - (2) The buffer referred to in subregulation (1) shall—
 - (a) completely enclose the cage;
 - (b) be at least 1,5 m from the cage;
 - (c) be at least 1 m high; and

- (d) be such that no person can pass through or under it.
- **34.** (1) Subject to the provisions of subregulations (2) and (3), the provisions of regulations 23 and 24 (with the exception of the provisions of regulation 24 (2) in so far as they relate to the keeping of dolphins and porpoises in a quarantine pool), shall not apply to a cage in which any wild animal—
 - (a) is transported;
 - (b) is displayed at a show;
 - (c) is temporarily kept in captivity after it, due to circumstances beyond the control of the person by whom it is so kept, came into possession of such person; and
 - (d) is kept in captivity during—
 - (i) acclimatisation to new surroundings;
 - (ii) quarantine; or
 - (iii) the erection of or repair to the cage in which such wild animal is or shall be kept in terms of any other regulation.
 - (2) The exemption contemplated by-
 - (a) subregulation (1) (a) and (b), shall be valid immediately prior to, during and immediately after the relevant transportation or show;
 - (b) subregulation (1) (c) and (d) (iii), shall be valid for not more than fourteen days;
 - (c) subregulation (d) (i), shall be valid for not more than two months; and
 - (d) subregulation (d) (ii), shall be valid for the duration of the quarantine.
- (3) The Chief Executive Officer may, if he is of opinion that any cage contemplated by subregulation (1) is not suitable for the purpose for which it is used, in writing direct the person who is keeping a wild animal therein to make the improvements specified by the Chief Executive Officer in such direction to such cage within a reasonable period determined by the Chief Executive Officer.
- **35.** The provisions of regulations 23 and 24 shall not apply to any person who, with the Chief Executive Officer's permission and subject to the terms and conditions imposed by the Chief Executive Officer, lawfully keeps wild animals in captivity and uses such animals for scientific purposes.
- **36.** (1) Every person who keeps wild animals, except birds which are not endangered or protected wild animals, in captivity shall keep a register in respect of such animals in which he shall—
 - (a) within thirty days of the promulgation of this regulation, make a dated record in relation to—
 - (i) the name of each species; and
 - (ii) the number of each sex of every species, or, if it is impossible to distinguish the sex, the total number of each species,

which is so held, and

- (b) as soon as any change occurs in respect of the species or number of each sex of every species or if it is impossible to distinguish the sex, the total number of every species, keep a dated record in respect of—
 - (i) the name of the species in respect of which such change has occurred;
 - (ii) the number if each sex of every species or, if it is impossible to distinguish the sex, the total number of every species in respect of which such change has occurred;
 - (iii) the cause of the change; and
 - (iv) if such change has occurred in consequence of the purchase, sale donation or receipt as a donation of wild animals, the name and address of every person who is a party to such purchase, sale, donation or receipt.
- (2) Every record contemplated by subregulation (1) shall be retained for as long as the wild animal in respect of which such record has been made is kept in captivity and, at the termination of such captivity, for the period of two years immediately succeeding such termination.
- **37.** Any person who keeps Cape Parrots (*Poicephalus robustus*) or Knysna loeries (*Turacus corythaix*) in captivity shall, whenever such birds start to hatch, notify the Chief Executive Officer thereof in writing.
 - 38. No person shall transport any wild animal by means of a vehicle (hereinafter called the "first vehicle") unless he-
 - (a) before such transportation is undertaken, makes arrangements for the use of an alternative vehicle to undertake or complete such transportation if any contingency should occur which would make the undertaking or completion of such transportation by means of the first vehicle impossible or impracticable or would delay it unreasonably;
 - (b) transports such animal in a cage which has no projecting part on the inside or, if it has, such projecting part is covered in such a manner that it will not be able to injure such animal;
 - (c) transports such wild animal along the shortest practicable route and with as little interruption of the journey as possible; and
 - (d) protects such animal during the transportation thereof against extremes in temperature and makes provision for sufficient ventilation in the cage.
- **39.** (1) (a) Every owner of land shall keep a register in respect of the sale or alienation (in whatever manner) of the carcass of any protected wild animal which has been killed on his land in terms of the provisions of the Ordinance and shall, immediately after such sale or alienation, enter or cause to be entered in such register—
 - (i) the date of every such sale or alienation;
 - (ii) the full name and address of the person to whom such carcass was sold or alienated or the full name and address of the public or municipal market or registered business where each such sale or alienation occurred, as the case may be;
 - (iii) the species of wild animal of which the carcass was sold or alienated; and
 - (iv) the number of carcasses of each sex of every species of wild animal, or if it is impossible to distinguish the sex, the total number of every such species which has been sold or alienated;

provided that the provisions of this paragraph shall not apply in respect of the sale or alienation of the carcass of a protected wild animal to the holder of a permit or licence or a written permission contemplated by sections 27 and 39 of the Ordinance, respectively.

- (b) Every owner of land contemplated by paragraph (a) shall not later that the thirty-first day of January in each year, furnish the Chief Executive Officer with a return in clearly legible form of the entries so contemplated in respect of the period from the first day of January up to and including the thirty-first day of December of the immediately preceding year.
- (2) (a) The marketmaster at a public or municipal market and the holder of a licence authorising such holder to sell or alienate a carcass shall keep an invoice book in which he shall, immediately after the sale or alienation of any carcass, record or cause to be recorded in duplicate—
 - (i) the date on which such sale or alienation occurred;
 - (ii) the name and business address of such marketmaster or holder;
 - (iii) the name and address of the purchaser or recipient;
 - (iv) the species of wild animal of which the carcass has been sold or alienated; and
 - (v) the number of carcasses and the mass of every such carcass so sold or alienated.
- (b) A marketmaster or licence holder contemplated by paragraph (a) shall, immediately after the making thereof, deliver the original invoice so contemplated to the purchaser or recipient of the carcass and shall retain the copy for the period of twelve months from the date contemplated by paragraph (a) (i).
- (c) Any person to whom an original invoice has been delivered in terms of subparagraph (b) shall retain it for the period during which the carcass to which it relates is in his possession or for a period of two months from the date contemplated by paragraph (a) (i), whichever is the longer.
- **40.** (1) An application for a licence to hunt protected wild animals shall be submitted on form N5 to the Chief Executive Officer or a person authorised by the Chief Executive Officer to issue such licence.
- (2) On receipt of the application form contemplated by subregulation (1) and payment of the fee prescribed by regulation 41, the Chief Executive Officer or a person authorised by the Chief Executive Officer to issue such licence shall issue a licence to hunt protected wild animals on the prescribed form to the applicant.
- (3) A person authorised by the Chief Executive Officer to issue such licence shall keep the duplicate of every hunting licence which he issued in terms of subregulation (2) and shall forward such duplicate at the end of every calendar month to the Chief Executive Officer.
 - (4) The holder of a hunting licence shall, before hunting thereunder, sign such licence in the space provided for that purpose.

 [R. 40 substituted by para. (c) of P.N. 147 of 1987.]
 - **41.** The fee payable for a licence to hunt protected wild animals shall be R200.

[R. 41 substituted by para. (*d*) of P.N. No. 147 of 1987 and by para. (*a*) of P.N. No. 198 of 1998 and amended by para. (*a*) of P.N. No. 124 of 2001 and by para. (*b*) of P.N. No. 105 of 2005.]

- **42.** No owner of land in an area in which the application of section 29 (1) of the Ordinance has been suspended by proclamation under section 79 (b) of the Ordinance may permit the use of more than eight dogs over the age of one year and four dogs under the age of one year in any particular hunt on such land.
- **42A.** (1) No person may feed or attempt to feed any baboon (*Papio hamadryas ursinus*) or vervet monkey (*Cercopithecus pygerythrus*) in a built up area or public place.
 - (2) Subregulation (1) shall not apply in respect of a baboon (Papio hamadryas ursinus) or vervet monkey (Cercopithecus pygerythrus) that is—
 - (a) kept in captivity; or
 - (b) being transported

in accordance with the provisions of the Ordinance.

[R. 42A inserted by para. (h) of P.N. 153 of 1984 and substituted by r. 2 of Provincial Notice No. 491 of 2010.]

PART IV

Fish in Inland Waters

- **43.** (1) No person shall, in inland waters, catch any female giant crab (Scylla serrata) which is in berry.
- (2) The provisions of this regulation shall be deemed not to have been contravened if any person inadvertently, in inland waters, catches a female giant crab which is in berry and forthwith replaces it into such waters with as little injury as possible.
- **44.** (1) Subject to the provisions of section 61 of the Ordinance, regulation 43 and subregulations (4) and (5), no person shall in inland waters catch any fish, oyster or giant crab of a species referred to in subregulation (2), if such fish, oyster or giant crab, when measured in the manner provided by subregulation (3), is of a lesser length, diameter or breadth than the length, diameter or breadth determined in respect thereof by subregulation (2).
 - (2) The length, diameter or breadth contemplated by subregulation (1), is—

- (3) (a) Any length referred to in subregulation (2), shall be measured in a straight line along the side of the fish from the furthermost point of the nose to the furthermost point of the tail thereof.
- (b) The diameter referred to in subregulation (2) (e), shall be measured by means of a ring of which the diameter (inside measurement) is 50 millimetres and any oyster which can in any manner be passed through such ring, shall be deemed to have a diameter less than the diameter determined by subregulation (2) (e).
 - (c) The breadth referred to in subregulation 2 (u), shall be measured in a straight line across the broadest part of the back of the giant crab.
- (4) The provisions of this regulation shall be deemed not to have been contravened if any person inadvertently, in inland waters, catches any fish, oyster or giant crab referred to in subregulation (2) of a length, diameter or breadth which is less than the length, diameter or breadth determined in respect thereof by subregulation (2) and forthwith replaces such fish, oyster or giant crab into such waters with as little injury as possible.
 - (5) No person shall catch more than ten fish per day—
 - (a) of any species contemplated by subregulation (2), except the species referred to in subregulation 2 (c), (d), (e), (r) and (u); and
- (b) of a length less than the length determined in respect of such fish by subregulation (2), as bait for analing purposes in inland waters.
 - **45.** (1) An application for a licence to—
 - (a) angle or to use a cast-net in any inland waters; or
- (b) use a fyke-net, crab-net, staked or trek-net in any inland waters shall be submitted, in the case contemplated by—
 - (i) paragraph (a), on form N5 to the Chief Executive Officer or a person authorised by the Chief Executive Officer to issue such licence; and
 - (ii) paragraph (b), on form N30 to the Chief Executive Officer.
 - (2) On receipt of the application form contemplated by—
 - (a) subregulation (1) (a) and payment of the fees prescribed by regulation 46, the Chief Executive Officer or a person authorised by the Chief Executive Officer to issue such licence shall issue the relevant licence on the prescribed form to the applicant; and
 - (b) subregulation (1) (b) and payment of the fees prescribed by regulation 46, the Chief Executive Officer may in his discretion and subject to the conditions which he deems desirable or necessary issue the relevant licence on the prescribed form to the applicant.
- (3) A person authorised by the Chief Executive Officer to issue such licence shall keep the duplicate of every angling licence or cast-net licence which he issued in terms of subregulation (2) (a) and shall forward such duplicate at the end of every calendar month to the Chief Executive Officer.
- (4) Before angling or using any net thereunder, the holder of any licence issued in terms of subregulation (2) shall sign such licence in the space provided for that purpose.

[R. 45 substituted by para. (e) of P.N. 147 of 1987.]

- **46.** The fee payable for a licence to—
 - (a) angle in inland waters shall be R50 provided that no fee shall be payable by children under the age of 6 years; [Para. (a) amended by para. (b) of P.N. 124 of 2001.]
 - (b) use a cast-net in inland waters shall be R35;
 - (c) to use a fyke-net or a crab-net in inland waters shall be R30; and
 - (d) to use a staked or trek-net in inland waters shall be R110.

[R. 46 substituted by para. (f) of P.N. No. 147 of 1987, by para. (b) of P.N. No. 198 of 1998 and by para (c) of P.N. No. 105 of 2005.]

- **47.** (1) Any person who sells in terms of the Ordinance any crab, prawn, pencil bait, shell bait or worm or any fish which has been caught in terms of the provisions of regulation 44 (5), shall keep an invoice book in which he shall, immediately after every such sale, record or cause to be recorded in duplicate—
 - (a) the date on which such sale takes place;
 - (b) his name and address;
 - (c) the name and address of the purchaser;
 - (d) the species so sold; and
 - (e) the number or mass of every species so sold.

- (2) The seller shall—
- (a) deliver the original invoice contemplated by subregulation (1), to the purchaser, immediately after such invoice has been made; and
- (b) retain the copy of such invoice for a period of twelve months from the date contemplated by subregulation (1) (a).
- (3) The purchaser shall retain the original invoice referred to in subregulation (2) for so long as he is in possession of any crab, prawn, pencil bait, shell bait or worm or fish to which such invoice relates.

PART V

Protection of Flora

- **48.** (1) Every registered flora grower who sells protected flora to any registered flora seller and every registered flora seller who sells protected flora to any other registered flora seller shall keep an invoice book in which he shall, immediately after every such sale, record or cause to be recorded in duplicate—
 - (a) the date on which such sale takes place;
 - (b) his name and address;
 - (c) the name and address of the purchaser;
 - (d) the species so sold; and
 - (e) the number of mass of every species so sold; provided that, on the sale of bunches of protected flora which have been made up ready for sale to the public as ordered by the purchaser, only the number of such bunches of protected flora may be recorded on such invoice.

[Sub-r. (1) substituted by para. (g) (i) of P.N. 147 of 1987.]

- (2) The registered flora grower or registered flora seller shall—
- (a) deliver the original invoice contemplated by subregulation (1) to the purchaser immediately after such invoice has been made; and
- (b) retain the copy of such invoice for a period of twelve months from the date contemplated by subregulation (1) (a).
- (3) The purchaser shall retain the original invoice referred to in subregulation (2) (a) for so long as he is in possession of any flora to which such invoice relates or for a period of two months from the date contemplated by subregulation (1) (a), whichever is the longer period.
- (4) A registered flora grower or a registered flora seller shall not sell any protected flora to any person, except a person referred to in subregulation (1), unless he, when he delivers such protected flora to such person, ties to such protected flora a label on which his name and address have been recorded in clearly legible letters and figures or, where such protected flora grows or is in a container or any other thing, affixes such label to the container or other thing.

 [Sub-r. (4) inserted by para. (g) (ii) of P.N. 147 of 1987.]
- (5) No person shall for a period of six months from the date of acquisition of any flora in terms of subregulation (4) remove any label contemplated by that subregulation from any flora or any container or other thing contemplated by the said subregulation or destroy such label while he is in possession of such flora or while such flora grows or is in such container or other thing.

[Sub-r. (5) inserted by para. (g) (ii) of P.N. 147 of 1987.]

49.

[R. 49 deleted by para. (h) of P.N. 147 of 1987.]

50. Subject to the provisions of section 65 (2) of the Ordinance, the fee payable by a registered protected floral seller for a licence to sell protected flora, valid for 3 years, shall be R750, in respect of each premises, and the fee payable by a registered protected flora grower for a licence to sell protected flora, valid for one year, shall be R250, in respect of each premises.

[R. 50 substituted by para. (i) of P.N. No. 147 of 1987, by para. (c) of P.N. No. 198 of 1998 and by para. (d) of P.N. No. 105 of 2005 and amended by para. (c) of P.N. No. 124 of 2001 and by P.N. No. 90 of 2003.]

PART VI

[Part VI substituted by para. (i) of P.N. 153 of 1984 and by P.N. 37 of 2000.]

Professional Hunters, Hunting Outfitters and Chief Executive Officers of Professional Hunting Schools

- **51.** (1) A permit to act as a professional hunter, a hunting-outfitter or a Chief Executive Officer of a Professional Hunting School referred to in section 72B (1) (a), (b) and (c) of the Ordinance shall be in the form approved by the Chief Executive Officer and shall be subject to such conditions as the Chief Executive Officer may determine (hereafter referred to as 'professional hunter permit', 'hunting outfitter permit' and 'Chief Executive Officer of a Professional Hunting School permit').
 - (2) The Chief Executive Officer may issue or authorise the issue of—
 - (a) a professional hunter permit, if he or she is of the opinion that the applicant—
 - (i) possesses the necessary knowledge, ability, skill and experience;
 - (ii) is of or over the age of twenty-one years; and
 - (iii) is a South African citizen or holds a permanent resident's permit;
 - (b) a hunting outfitter permit, if he or she is of the opinion that the applicant—
 - (i) complies with the requirements of subregulation (2) (a) (i), (ii) and (iii); and
 - (ii) can provide the services, facilities and conveniences referred to in regulation 54 and that those services, facilities and conveniences comply with the requirements determined by the Chief Executive Officer; and
 - (c) a Chief Executive Officer of a Professional Hunting School permit, if he or she is of the opinion that the applicant—
 - (i) complies with the requirements referred to in subregulation (2) (a) and (b);
 - (ii) possesses the necessary communication and presentation skills;
 - (iii) possesses the necessary experience in the international marketing of hunting;

- (iv) has extensive practical experience as a professional hunter and hunting outfitter; and
- (y) is competent to test the knowledge, ability, skill and experience in respect of professional hunting and the occupation of hunting outfitter.
- (3) A permit contemplated in subregulation (2) (a), (b) or (c) shall be valid from the date of issue to 31 December of the year of issue.
- (4) The fee payable for a professional hunter permit, hunting outfitter permit or Director of a Professional Hunting School permit shall be R200, R800 and R1000 respectively.

[Sub-s. 4 substituted by para. (e) of P.N. No. 105 of 2005]

- **52.** (1) A professional hunter shall keep a register in which the following shall be recorded—
 - (a) the name and business address of the professional hunter;
 - (b) the name and permanent postal address of the client;
 - (c) the name and business address of the hunting outfitter who presented or organised the hunt for the client;
 - (d) the province and place where and the date on which the escorting of the client commenced and terminated;
 - (e) the name, registration number, magisterial district and hunting permit number of every farm hunted on and the name and residential and postal address of every owner of the farm or farms concerned; and
 - (f) the species, number and sex of wild animals or feral animals killed or wounded by the client on each of the farms referred to in paragraph (e) and the date on which those wild animals or feral animals were killed or wounded.
 - (2) The register contemplated in subregulation (1) shall consist of pages that are numbered consecutively and of which—
 - (a) every page shall have an original and three copies with the same number; and
 - (b) the original page and the first two copies shall be perforated in such a manner that they may be easily removed from the register.
- (3) After a professional hunter has recorded the particulars contemplated in subregulation (1) in the register, the professional hunter and the client shall sign the original page and the three copies thereof, and the professional hunter—
 - (a) shall hand the original page forthwith to the client;
 - (b) shall within fourteen days forward the first and second copies to the appropriate hunting outfitter; and
 - (c) shall retain the third copy in the register for a period of three years for record purposes.
- (4) A professional hunter and the client shall append their signatures to every alteration on the original page and the three copies thereof on which the particulars contemplated in subregulation (1) have been recorded.

53. A professional hunter—

- (a) shall not act as such unless he or she is in the employ of a hunting outfitter;
- (b) shall not escort more than two clients during the hunting of any wild animals or feral animals other than birds;
- (c) shall at all times be present at and supervise the hunting of any wild animals or feral animals by his or her client;
- (d) who knows or suspects that his or her client has contravened any provision of the Ordinance or these regulations shall within 24 hours of first so knowing or suspecting report the matter at the police station, or the office of the nature conservator nearest to the place where the offence has or has allegedly been committed; and
- (e) shall do everything within reason to ensure that the client complies with the provisions of the Ordinance and these regulations.
- **54.** A hunting outfitter shall provide a client with—
 - (a) the escorting services of a professional hunter;
 - (b) hunting, skinning, handling and dispatch services;
 - (c) accommodation and washing and sanitary conveniences;
 - (d) catering facilities;
 - (e) transport;
 - (f) cleaning and refuse removal services;
 - (g) first-aid and fire-fighting services; and
 - (h) staff services.
- 55. (1) A hunting outfitter and his or her client shall, prior to any hunt, conclude a written agreement in which is specified—
 - (a) the name and permanent postal address of the client;
 - (b) the name and business address of the hunting outfitter;
 - (c) the name and business address of the professional hunter who will escort such client;
 - (d) the address to which trophies are to be sent;
 - (e) particulars of the place of the commencement and termination of the liabilities of the hunting outfitter to the client;
 - (d) particulars of the species and sex of the wild animals or feral animals to be offered for hunting and the tariffs for every species of wild animals or feral animal killed or wounded;
 - (g) the tariffs for the available services, facilities and conveniences to be provided by the hunting outfitter; and
 - (h) the duration of the hunt and the daily tariff.
- (2) The provisions of an agreement contemplated in subregulation (1) may be amended or substituted by a subsequent written agreement concluded by the hunting outfitter and the client.
 - (3) An agreement contemplated in subregulation (1) or (2) shall be in duplicate and—

- (a) the hunting outfitter and the client shall sign the original document and the copy thereof; and
- (b) the hunting outfitter shall—
 - (i) hand the original agreement forthwith to the client; and
 - (ii) retain the copy for a period of three years.
- (4) A hunting outfitter may claim from a client with whom he or she has concluded an agreement in terms of subregulation (1) or (2) compensation at the tariffs contained in the agreement for—
 - (a) every wild animal or feral animal killed or wounded by the client; and
 - (b) the services and conveniences provided to the client.
- (5) In the case of any dispute arising from such an agreement, the South African Law shall apply and the relative provincial division of the High Court shall exercise jurisdiction in the matter.

56. (1) A hunting outfitter shall be responsible for—

- (a) obtaining licences, permits, exemptions, documents or permissions in terms of which the client is authorised to—
 - (i) hunt a wild animal or feral animal; or
 - (ii) convey any trophy or export or remove it from the Province;
- (b) packing trophies and despatching them to the address referred to in regulation 55 (1) (d) as soon as they are ready for despatching;
- (c) ensuring that he or she obtains the first and second copies of the professional hunter's register as contemplated in regulation 52 (3) (b), and shall—
 - (i) sign both copies and forward the first copy to the nature conservation authority in the Province where the hunt took place, within 30 days of completion of the hunt, which copy is a prerequisite for the processing of any export-permit application; and
 - (ii) retain the remaining copy for a period of three years for record purposes.
- (2) A Chief Executive Officer of a Professional Hunting School shall-
- (a) co-ordinate and regulate the activities of every person presenting lectures; and
- (b) record the results achieved by every person tested and report thereon to the Chief Executive Officer in writing within 14 days of completion of the course.
- 57. No person shall advertise his or her preparedness to act as a hunting outfitter unless—
 - (a) he or she is the holder of a hunting outfitter permit required by section 72B (1) (b) of the Ordinance;
 - (b) he or she is-
 - (i) the owner of the land on which he or she will present or organise the hunt; or
 - (ii) the holder of permission in writing contemplated by section 72D of the Ordinance in respect of the land on which he or she will present or organise the hunt;
 - (c) the species, number and sex of wild animals or feral animals advertised for hunting purposes are found in a free and natural state on the land contemplated by paragraph (b); and
 - (d) the advertisement, brochure or pamphlet by which he or she advertises the hunting of wild animals or feral animals has received the prior written approval of the Chief Executive Officer.
- 58. (1) An owner of land who desires to grant permission in terms of section 72D of the Ordinance shall do so by means of a document containing—
 - (a) the owner's name and residential address;
 - (b) the name, registration number and area of the land in respect of which such permission is granted;
 - (c) the name and business address of the hunting outfitter to whom such permission is granted;
 - (d) particulars of the species, number and sex of the wild animals or feral animals to be found on the land in respect of which such permission is granted;
 - (e) the date on which and the period for which such permission is granted;
 - (f) his or her signature and the date on which such document was signed; and
 - (g) the signature of the hunting outfitter to whom such permission is granted.
- (2) A professional hunter shall carry the document contemplated by subregulation (1) or a certified copy thereof on his or her person at all times when escorting a client on the land in respect of which such document is issued.
- **59.** The Chief Executive Officer may appoint such competent person or persons as may be deemed necessary to test or retest any person's knowledge, ability, skill and expertise in respect of professional hunting and the trophy hunting trade in order for the Chief Executive Officer to satisfy himself or herself that the person is entitled to receive a permit referred to in regulation 51 (2) (a), (b) or (c) or to continue holding such a permit.
 - 59A. The Chief Executive Officer may cancel a permit contemplated by section 72B (1) of the Ordinance if the holder of such a permit—
 - (a) is convicted of contravening or failing to comply with any provision of the Ordinance or any regulation in force thereunder or any similar law of another province or any regulation in force thereunder;
 - (b) wilfully advertised misleading information concerning his or her activities as a professional hunter, hunting outfitter or Chief Executive Officer of a Professional Hunting School; or
 - (c) fails a test contemplated by regulation 59.
 - **59B.** Any person who contravenes or fails to comply with any provision of these regulations shall be guilty of an offence and on conviction liable to a fine

or imprisonment for a period not exceeding one year or to both such fine and such imprisonment.
