

INFORMATION DOCUMENT FOR A PERMIT TO HUNT WILD ANIMALS BY MEANS OF A PROHIBITED HUNTING METHOD (CARACAL & BLACK-BACKED JACKAL)

I, the applicant, hereby declare that I take note of and understand:

- That the onus is on me to acquaint myself with all legislation pertaining to the hunting, capturing, transport, trading and possession of wild animals and wild animal carcasses.
- That the onus is on me to acquaint myself with all legislation pertaining to the international movement (import / export) of wild animals and wild animal carcasses and that additional permits (e.g. CITES) may be required.
- That I can apply for permits at my nearest CapeNature regional office.
- That I must have the necessary permit in my possession prior to commencing any activity with a wild animal.
- That this permit has an expiry date and that the onus is on me to apply for the renewal of this permits at least seven (7) days prior to the expiration.
- That a prohibited hunting method permit does not authorise me to transport a wild animal or a wild animal carcass.
- That a prohibited hunting method permit does not authorise me to trade in wild animals or their carcasses.
- That it is an offence to commence any activity with a wild animal without being in possession of a valid permit and / or license authorising that particular activity.
- That the landowner's written permission containing 1) the full name and surname of the landowner, 2) the full name and surname of the hunter, 3) the number and species of wild animal, 4) the date or dates and the 5) property name and number as it appears on the title deed in respect of which the permission is being granted must be in the hunter's possession prior to the hunt taking place and / or a wild animal carcass or part thereof is removed from the property.
- Only the following prohibited hunting methods may be used to hunt caracal and black-backed jackal with this permit: 1) at night with the aid of artificial light and/or 2) with a trap cage.
- The landowner must provide an authorization letter if anyone else (eg. manager), applies on his or her behalf.
- The landowner / responsible person must provide the names, surnames, identity numbers and addresses of all hunters that will be utilising the prohibited hunting method permit on the property (as per attached addendum).
- The prohibited hunting method permit for caracal and jackal is valid for six (6) months only.
- The permit holder must submit a full report of all stock losses by damage causing animals. The report must include the date, quantity and estimated value of loss(es).
- Upon renewal of the permit, the permit holder must submit a full report regarding all hunts of damage causing animals. The report must include dates and times of hunts, species killed, quantity of species killed, sex of species killed as well as the stomach contents of animals killed (as per attached addendum). Photos may also be included as evidence.
- No renewals of the permit will be considered if permit holder fails to submit these two (2) reports to CapeNature.
- That I can be held responsible for reimbursement of the costs incurred by CapeNature to conduct an inspection if the minimum requirements for a permit / license are not met.
- That, in the case of repeated offences or failure to comply with permit conditions, it may lead to the cancellation of permits / licenses and/or the withholding of future permits / licenses.
- That, in the case of an offence regarding the wild animal(s) contained in this application, the wild animal(s) may be confiscated / seized by CapeNature.
