ADD TITLE

# Introduction

CapeNature

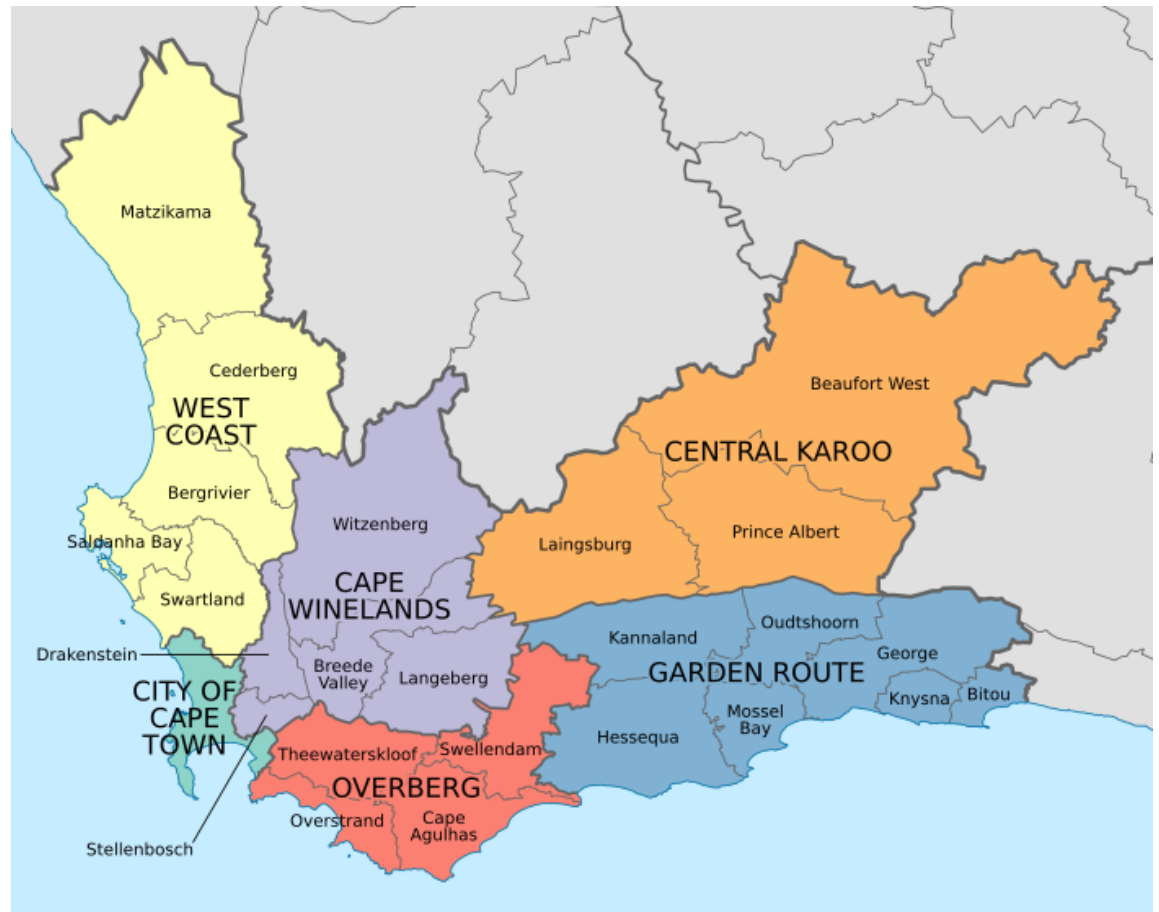

20  
YEARS

1999 - 2019

# Who are we?

CapeNature is the part of government that protects natural occurring plant and animal life (biodiversity) in the Western Cape.

Quick activity: Can you spot where we are right now on this map of the Western Cape? Do you find many natural trees here? If not? What plants do we find? Why are they special?

Twenty years of nurturing nature for you

# What are we going to do today?

- Learn what an ecosystem and food web is
- Make a poster about food chains and food webs
- Promise to do one thing to protect our ecosystems

# What are the rules for today?

Listen to the speaker

Respect your teacher and classmates

Have fun!

RULES OF ENGAGEMENT

Be safe

Take part in all the activities!

What else?

CapeNature

1999-2019

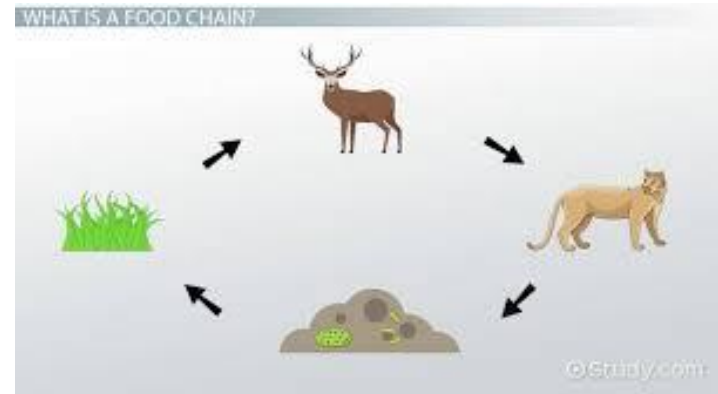

Twenty years of nurturing nature for you

# Tuning in

# What is a food chain or a food web?

- A food chain is a chain of plants, animals and other living things that are dependent on the next as food.
- special day to celebrate trees – like a birthday! 1 September
- Arbor Week takes place 1 – 7 September
- First Arbor Day was held in 1805. Trees were celebrated by planting a tree.

# ACTIVITY: STRING GAME OR LABEL GAME – lets make a food web...
